

Back2Back Ministries Haiti

What are we going to do first in Haiti?

Working with "Jesus in Haiti"

- Tom's Boys
 - Create Job opportunities by beginning construction on 2 (two) Hope Homes
 - This infers that we will begin building the Hope Education Program
 - Find local Haitian Christian House Parents
 - Foster relationships w/Victory Bible Church
 - Other Churches may provide good sources (HOM)
 - Hands-on and On-the-Job Training for future opportunities for the boys
 - Establish a plan for future entrepreneur training:
 - ex: micro-financing
 - core partnership
 - Fish hatchery
- Provide Support for the Orphan Care in JiHM's field of influence
 - Lighthouse - 12 boys
 - consider education status and future steps
 - Tree of Life - 29 girls and boys
 - Status of physical care providing and improvement
 - OHMA - 30 kids
 - Gonaives orphanage - still need to establish the logistical viability

Back2Back Groundwork

- Prepare guest homes to receive groups that serve the local orphanages.
 - begin planning and executing group trips with JiHM support staff.
- Begin to create training lessons/programs for child care providers (parents/orphanage caregivers).
- Continue to Network and find local ministries to better serve orphan needs.
